

What I would like in school

Shall we write a Rap song?

(This is the first verse, continue you each with a different color)

- blue color - Dante Alighieri 1H Italy
- fuchsia color - Dante Alighieri 1A Italy
- green color - Don. A. La Mela 3E Italy
- red color - 3rd Primary School of Drama, Greece

In the school I would like
with my friends, boys and girls
there is no hate
there is no war

Only love all together
We are friends forever
Playing and learning
In the school I would like

Lots of colors and shapes
We paint every day
We have cakes and milkshakes
In the school I would like

Many trees to play around
lots of shade to keep sun out
and a pool to swim and be cool
In the school I would like
